## **ASSEMBLY BILL**

**No. 1112**

**Introduced by Assembly Member Goldberg**

February 23, 2001

---

An act to amend Section 17980 of, and to add and repeal Chapter 7.5 (commencing with Section 17997) of Part 1.5 of Division 13 of, the Health and Safety Code, relating to housing.

### LEGISLATIVE COUNSEL'S DIGEST

AB 1112, as amended, Goldberg. Substandard residential rental property: owner registration.

(1) The State Housing Law regulates buildings used for human habitation and requires specified governmental agencies to enforce building standards.

This bill would require, until January 1, 2004, a private owner of multiunit residential rental property in Los Angeles County to submit to, and maintain with, the county board of supervisors certain

identifying information regarding the property where a code enforcement agency has recorded with the county recorder a notice of substandard conditions or other specified document. Failure to comply with the reporting requirements of the bill would be a misdemeanor and would allow a tenant to raise an affirmation defense in an unlawful detainer action, except as specified. By creating a new crime, this bill would impose a state-mandated local program.

The bill would require the County of Los Angeles, on or before July 1, 2004, to prepare and provide a report on the effectiveness of the reporting requirements of the bill to specified committees of the Legislature. By imposing additional duties on local officials, the bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. The Legislature finds all of the following:
- 2 (a) There are approximately one million substandard housing
- 3 units in the state.
- 4 (b) Substandard housing is disproportionately located in larger
- 5 inner cities where lower income renters live in the oldest, most
- 6 neglected, overcrowded housing.
- 7 (c) In recent years, local code enforcement agencies have
- 8 increased their activities to address the growing number of
- 9 substandard units.

1 (d) Local code enforcement agencies have found it difficult, if  
2 not impossible, to locate the owners of substandard properties to  
3 obtain abatement of the substandard conditions.

4 (e) In efforts to hide true legal ownership, these owners have  
5 been known to create sham corporations, limited liability  
6 partnerships, out-of-state or offshore corporations, or family  
7 trusts.

8 SEC. 2. Section 17980 of the Health and Safety Code is  
9 amended to read:

10 17980. (a) If any building is constructed, altered, converted,  
11 or maintained in violation of any provision of, or of any order or  
12 notice that gives a reasonable time to correct that violation issued  
13 by an enforcement agency pursuant to, this part, the building  
14 standards published in the California Building Standards Code, or  
15 other rules and regulations adopted pursuant to this part, or if a  
16 nuisance exists in any building or upon the lot on which it is  
17 situated, the enforcement agency shall, after 30 days' notice to  
18 abate the nuisance, institute any appropriate action or proceeding  
19 to prevent, restrain, correct, or abate the violation or nuisance.

20 (b) (1) Whenever the enforcement agency has inspected or  
21 caused to be inspected any building and has determined that the  
22 building is a substandard building, the enforcement agency shall  
23 commence proceedings to abate the violation by repair,  
24 rehabilitation, vacation, or demolition of the building. The  
25 enforcement agency shall not require the vacating of a residential  
26 building unless it concurrently requires expeditious demolition or  
27 repair to comply with this part, the building standards published  
28 in the California Building Standards Code, or other rules and  
29 regulations adopted pursuant to this part. The owner shall have the  
30 choice of repairing or demolishing. However, if the owner chooses  
31 to repair, the enforcement agency shall require that the building be  
32 brought into compliance according to a reasonable and feasible  
33 schedule for expeditious repair. The enforcement agency may  
34 require vacation and demolition or may itself vacate the building,  
35 repair, demolish, or institute any other appropriate action or  
36 proceeding, if any of the following occur:

37 (A) The repair work is not done as scheduled.

38 (B) The owner does not make a timely choice of repair or  
39 demolition.

(C) The owner selects an option which cannot be completed within a reasonable period of time, as determined by the department, for any reason, including, but not limited to, an outstanding judicial or administrative order.

(2) In deciding whether to require vacation of the building or to repair as necessary, the enforcement agency shall give preference to the repair of the building whenever it is economically feasible to do so without having to repair more than 75 percent of the dwelling, as determined by the enforcement agency, and shall give full consideration to the needs for housing as expressed in the local jurisdiction's housing element.

(c) (1) Notwithstanding subdivision (b) and notwithstanding local ordinances, tenants in a residential building shall be provided notice of any violation described in subdivision (a) which affects the health and safety of the occupants and which violates Section 1941.1 of the Civil Code, an order of the code enforcement agency issued after inspection of the premises declaring the dwelling to be substandard, the enforcement agency's decision to repair or demolish, or the issuance of a building or demolition permit following the abatement order of an enforcement agency.

(2) Notice pursuant to this subdivision shall be provided to each affected residential unit by the enforcement agency that issued the order or notice, in the manner prescribed by subdivision (a) of Section 17980.6.

(d) All notices issued by the enforcement agency to correct violations or to abate nuisances shall contain a provision notifying the owner that, in accordance with Sections 17274 and 24436.5 of the Revenue and Taxation Code, a tax deduction may not be allowed for interest, taxes, depreciation, or amortization paid or incurred in the taxable year. In addition, in Los Angeles County, the notice shall contain a provision notifying the owner that within 10 days of recordation of a notice of substandard conditions or similar document, the owner is required to comply with Section 17997.

(e) The enforcement agency may charge the owner of the building for its postage or mileage cost for sending or posting the notices required to be given by this section.

SEC. 3. Chapter 7.5 (commencing with Section 17997) is added to Part 1.5 of Division 13 of the Health and Safety Code, to read:

CHAPTER 7.5. REGISTRATION OF OWNERS OF SUBSTANDARD  
RESIDENTIAL PROPERTY

17997. 17997.3. In an action brought pursuant to Section 1161 of the Code of Civil Procedure, the tenant may raise as an affirmative defense the owner's failure to comply with Section 17997 ~~or~~ ~~17997.1~~, unless the proceeding is brought pursuant to Section 11571.1.

17997.5. Nothing in this chapter shall prevent a local government body from adopting and enforcing laws consistent with this chapter. Where local laws duplicate or supplement this chapter, this chapter shall be construed as providing alternative remedies and not preempting the field of the subject matter.

17997.6. A person who fails to comply with Section 17997 ~~or~~ ~~17997.1~~ is guilty of a misdemeanor and shall be punished by imprisonment in the county jail not exceeding six months, or by a fine not exceeding five thousand dollars (\$5,000), or both.

17997.7. The County of Los Angeles shall, on or before July 1, 2004, prepare and provide a report to the Assembly Committee on Housing and Community Development and the Senate

7 rentals. In addition, the report shall contain an analysis of the  
8 effectiveness of the pilot program in identifying owners of  
9 substandard residential rental properties and obtaining abatement  
10 of code violations. The county board of supervisors shall consult  
11 with local code enforcement officials, prosecutors, tenant  
12 advocate organizations, and apartment owner associations in the  
13 preparation of the report.

14 17997.8. This chapter shall apply only to the County of Los  
15 Angeles as a pilot project and shall remain in effect only until  
16 January 1, 2005, and as of that date is repealed, unless a later  
17 enacted statute that is enacted before January 1, 2005, deletes or  
18 extends that date.

19 SEC. 4. No reimbursement is required by this act pursuant to  
20 Section 6 of Article XIII B of the California Constitution for  
21 certain costs that may be incurred by a local agency or school  
22 district because in that regard this act creates a new crime or  
23 infraction, eliminates a crime or infraction, or changes the penalty  
24 for a crime or infraction, within the meaning of Section 17556 of  
25 the Government Code, or changes the definition of a crime within  
26 the meaning of Section 6 of Article XIII B of the California  
27 Constitution.

28 However, notwithstanding Section 17610 of the Government  
29 Code, if the Commission on State Mandates determines that this  
30 act contains other costs mandated by the state, reimbursement to  
31 local agencies and school districts for those costs shall be made  
32 pursuant to Part 7 (commencing with Section 17500) of Division  
33 4 of Title 2 of the Government Code. If the statewide cost of the  
34 claim for reimbursement does not exceed one million dollars  
35 (\$1,000,000), reimbursement shall be made from the State  
36 Mandates Claims Fund.
